PRIVACY POLICY

At AdminDroid, we respect your need for online privacy and protection of personal information, and we are committed to protect any information that you may share with us, in an appropriate manner. This Privacy Policy Statement applies to AdminDroid website, and our software products. Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect the information we collect.

Information we collect

When ordering or registering on our site, as appropriate, you may be asked to enter your email address or other details to help you with your experience.

When you install our product which requires registration, we ask you for the email address. In addition, we collect information regarding the browser type, browser language, referring URL, features accessed, errors generated, time zone and operating system of the installation machine.

We don't collect or store any of the information about your credit/debit cards.

How we use Information

Your email address is used to keep you informed on new products/versions/updates, upcoming events and changes in this Privacy Policy Statement.

We use browser type, browser language, referring URL, features accessed, errors generated, time zone and operating system to analyze the trends, and to improve our applications.

When you use our product on behalf of your organization, we may publish your organizations name in the customer list on our websites and in press releases, brochures and other promotional materials. When you provide testimonials with respect to your use of our products, we publish your name, designation in your organization, photo (if provided) on our websites and in press releases, advertisements, brochures and other promotional materials. You may contact our support to request us not to use your testimonials.

We use cookies to identify user and save user's preferences for future visits.

We do not sell, trade, to outside parties the information we collect.

Third-party links

Some pages of our websites may contain external links. You are advised to verify the privacy practices of such other websites. We are not responsible for the manner of use or misuse of information made available by you at such other websites. We encourage you not to provide personal information, without assuring yourselves of the privacy practices of other websites.

Changes to this Privacy Statement

As we continue to develop our products and site and to improve the solution we provide, this policy may change. If this policy does change, we will notify you via email.

Contacting Us

If there are any questions regarding this privacy policy, kindly contact AdminDroid customer support services at support@admindroid.com
